

Can I bring money to the jail for deposit to an inmate's account?

Family and friends of inmates are able to deposit funds into inmate commissary accounts utilizing the Cobra Cashier Kiosks. Kiosks are located in the release lobby at the Main Detention Center, the Video Visitation Center and the visitation lobby at the West Detention Center. The machines will accept Cash, Credit Cards, and Debit Cards.

Transactions using the kiosk will immediately deposit the money into the inmate's account avoiding delays during holidays or weekends and making the money readily available for commissary purchases. **Any monies deposited will be subject to the normal collections for debts owed to the jail by the inmate (INCLUDING BOND MONEY)**

The automated payment kiosk accepts United States currency in 5, 10, 20, 50, and 100 US denominations. Deposits may be made twenty- four hours, seven days a week using the Kiosk located at the Main Detention Center. Please refer to the video visitation schedule for the hours of operations at the other two locations.

There is a \$2.75 convenience fee for utilizing the Cobra Cashier Kiosk. The fee will be deducted from the amount deposited into the Inmate's account.

The Lobby Kiosk:

- ☐ Accepts \$5.00 bills or higher for a cash deposit to inmate commissary accounts.
- ☐ Family and friends must know inmate's **JACKET NUMBER** and **FULL BOOKED NAME**
- ☐ Funds deposited will be immediately credited to the inmate's account.
- ☐ A receipt will be issued from the Kiosk to the person depositing the funds.
- ☐ A receipt will be issued from the facilities to the inmate.

A third party will operate the Cobra Cashier Kiosks. **The Palm Beach County Sheriff's Office will have no responsibility for the operation of this machine.** If there is an issue with a deposit, a phone number will be available to contact the vendor. **Our Agency has no means to resolve any issues related to the kiosk.**
