

# SCHOOL ZONE Safety Camera Program

**WARNING PERIOD**  
August 11, 2025 - September 14, 2025  
**ENFORCEMENT BEGINS**  
September 15, 2025

## **SLOW DOWN! School is in Session**

- Our students' safety is our priority. The Village of Wellington's School Zone Safety Program is designed to enhance safety around our school by using automated cameras to monitor and enforce the speed limits.
- Enforcement begins 30 minutes before the start of a school breakfast program, **continues throughout the entire school day**, and ends 30 minutes after school ends.
- Even when school zone lights are not flashing, the regular posted speed limit will be photo enforced while school is in session.
- A violation occurs when a driver travels within a school zone at a speed of 11 mph or more over the school zone speed or regular posted speed limit, depending on the time of the infraction.
- **The fine is \$100 and you will receive a notice of violation in the mail.** Failure to pay on time may result in the issuance of a Uniform Traffic Citation with increased penalties, including court costs.
- For more information on the School Zone Safety program, visit:
